It is my great pleasure to recommend Marta Njos ITN Health America, LLC for home health services.

I have known Marta and her family for a while.

I am receiving services from her company and, her employees are outstanding.

I am delighted with Marta Njos and her personal care for me.

I am receiving all services that are listed in my plan of care.

When I came from the nursing home I was very sick and weak, now I am much stronger and happier person.

Care one on one is the best, and in my own home.

ITN Health America employees are extraordinary people, first hand. Their work is impressive.

In it they show personal interest toward me. I am a senior and I need 24/7 care live in.

My caregivers are great: Tamara, Rozene and Ashlyn. We developed nice friendship.

I highly recommend Marta Njos, ITN Health America, LLC for personal care services.

I am confident, she will find you an excellent caregiver for your needs.

Please feel free to contact me if you have any questions.

Sincerely yours,

Mary Chiarelli
